

# WHY OUR DENTAL PRACTICE NEEDS PPO ADVISORS:

Complete the following:

## TIME

How much time do you spend dealing with PPOs on an average month:

\_\_\_\_\_ in hours

Multiple by 12

= \_\_\_\_\_ annually

How much time do other team members at your practice spend dealing with PPOs on an average month:

\_\_\_\_\_ in hours

Multiple by 12

= \_\_\_\_\_ annually

## WAGES

Estimate your hourly wage and multiply it by the answer above:

\$ \_\_\_\_\_

Estimate your teams' hourly wages and multiple it by the answer above:

\$ \_\_\_\_\_

## TOTAL WAGES COST:

Add the above wages costs to find the grand total: \$ \_\_\_\_\_

## Free PPO Analysis

Request a free PPO analysis here: [www.ppoadvisors.com/contact](http://www.ppoadvisors.com/contact)

How much will your practice save annually with PPO Advisors: \$ \_\_\_\_\_

Enter the amount provided from PPO after their free analysis and negotiations on your behalf have been completed

## BETTER USE OF OUR TIME:

Collate a list of what you and your team could be doing with that time back:

_____	_____	_____
_____	_____	_____
_____	_____	_____

Share the results with your dental practice management team!

We look forward to working with you!
